

Zippered Candy Bag

Bag of Candy
Zipper
2 Scraps of fabric

Starting with a bag of candy, carefully open one end to access the candy.

Eat the candy at your leisure. When the bag is empty, square up both ends cutting off the closure at the other end.

Measure your bag of candy and cut 2 scraps of fabric 1-1/2" W x same length as your candy bag.

Cut your bag in your desired location to open it flat.

Place the zipper face up with the zipper pull to the left and place one scrap of fabric face down lining up the top raw edge with the top edge of the zipper tape. Using a zipper foot, sew as close to the zipper as possible. Finger press.

With the zipper face up and the zipper pull to the right, place the 2nd scrap raw edge lining up with the top of the zipper tape. Sew as mentioned above and finger press.

Attach the zipper segment Right Sides Together to the top of the bag, sew with 1/4" seam, finger press. Attached the other end of the zipper segment to the other end of the bag, sew with 1/4" seam, finger press. Open zipper halfway.

With the bag still inside out and the zipper at the top, sew each side seam with 1/4" seam. Turn the bag right side out and gently push out the corners.
